### Rembrandt Ball Clubs End Successful Season

Keeping Rembrandt on the map, baseball-wise, Geo. Engebretson piloted local ball clubs through to a very successful 1959 season.

Most in the spotlight were the Rembrandt Little Leaguers, who played a total of 26 games, winning 22, with but 4 losses.

In play offs the Little Leaguers won the Little Soo Valley championship; were 2nd in Little League playoff; 2nd in Little League tourney at Boyden; and won the consolation honors at Peterson last week.

Several nice trophies were won which Mgr. Geo. Engebretson proudly has on display at his place of business.

All-in-all the Little Leaguers done very well this season, and were looked upto by opponents as a team to be reckoned with on the field.

In conclusion we think Geo. Engebretson is deserving of a complimentary pat on the back for again keeping those youngsters busy thru the summer vacation months. Of course George loves to do it, but, if you've never managed a ball team through a season, we don't think most people realize what time it takes, as there is more to it, than just playing a game now and then, at any rate hats off to George, results show he done a good job.
